

POSITION DESCRIPTION

Job Title:	Marine Pilot	Position No:	PIL06
Job Type	Permanent Full Time	Level:	MPL1
Location	Darwin, Northern Territory		
Responsible to:	Deputy Operations Manager	Reports to:	MSMAN

Main Duties/Responsibilities

- Undertake training to gain a valid Port of Darwin pilot licence and progress through the various grades of licence
- Perform the duties of a pilot to meet the operational demands of the Company.
- Conduct safe and efficient pilotage of vessels in the Port of Darwin through the direct application of high level communication, ship handling skills, local knowledge and general marine expertise.
- Undertake safety training, both updating and familiarisation, and marine emergency training for the Port of Darwin.
- Liaise with Ships' masters, operators, agents, regulatory bodies and providers of marine services concerning shipping in the port.
- Assist in the overall task of port pilotage management, including completion of appropriate documentation in a timely manner.
- Perform non-piloting administration functions to assist in the day to day activities of the port.

Qualifications

- Master Class 1 certificate of competency or equivalent recognised by Australian Maritime Safety Authority (AMSA)
- Current NT drivers licence
- Current MSIC.

Experience

- Significant experience in sea going service, preferably in command
- Pilotage of variety of vessels in a major port, preferably LNG vessels, Cruise Ships and other vessels greater than 200M LOA
- Experience in the application of Bridge Resource Management principles

Skills

- Reliability, attention to detail and ability to work both individually and as part of a team
- Well-developed interpersonal and communication skills, with the ability to relate professionally, tactfully and effectively at all levels internally and with external stakeholders in order to achieve company outcomes.
- Ability to apply safe work and environmental practices in performing your duties and responsibilities

Further Information
