

DARWIN PORT CORPORATION

TERMS AND CONDITIONS - COMMON USER FACILITIES

1. Introduction

1.1 These Terms and Conditions relate to all common user facilities operated by the Corporation, including:

- East Arm Wharf bulk liquids berth, bulk loading system and common user berths;
- East Arm Wharf general cargo and container yard and storage facilities
- Stokes Hill Wharf Precinct;
- Stokes Hill Wharf common user berths and mooring facilities
- Fort Hill Wharf cruise ship terminal
- Fort Hill Wharf common user berth
- General mooring facilities located in Darwin Harbour

1.2 Where the Corporation has published specific terms and conditions in respect of any of the Facilities (including without limitation, those contained in the Berth Application and Berth Permit Form) then these Terms and Conditions will still apply to the use of that Facility, but to the extent of any inconsistency, the specific terms and conditions in relation to that Facility will prevail.

2. Use of Facility

2.1 Use of Facility

The User agrees to use the Facility in common with others and the Corporation grants the use of the Facility, for the Term and otherwise in accordance with the Application and these Terms and Conditions.

2.2 Permitted Use

Without limiting clause 2.1, the User will only use the Facility for the Permitted Use.

3. Payment by User

3.1 Facility Charges

The User will pay the Corporation the charges as stated in the Corporation's Schedule of Port Charges, (available on the Website) for the use of the Facility without any deduction or right of set-off. Payment is to be made by the User within 14 days of receipt of an invoice from the Corporation.

3.2 Charges for Utility Services

The User will pay the Corporation, or any relevant Utility Service provider, a charge for any Utility Services used by the User at the Facility at the rate applicable to use of those Utility Services from time to time.

3.3 Documentation to be provided by User

The User must promptly provide the Corporation with any and all documentation necessary to enable the Corporation to accurately calculate any charges for the purposes of this clause. Without limitation, the User will provide manifests for Vessels loading or unloading cargo within 5 Business Days from loading/discharge, and those manifests must include both weight and volume for non-containerised cargoes.

3.4 Interest

If the User does not pay any amount due within 14 days of the due date, in addition to any other rights of the Corporation, interest will accrue at the rate set by the Corporation's primary banking institution business overdraft indicator lending rate as set from time to time, plus an additional 5%, calculated at daily stops from the due date to the date on which the monies are actually paid.

3.5 Recalculation

If at any time the Corporation can demonstrate that an account previously sent to the User was incorrectly calculated, or based on incorrect information, the Corporation may calculate and send to the User a further account and this clause will apply to that further account. The parties will make such reimbursements or additional payments as are necessary to ensure that payment is made by the User of the correct amount due under this clause.

3.6 Application for Credit

New Users will generally be required to set up a credit account with the Corporation. The Corporation's Application for Credit form is available at http://www.darwinport.nt.gov.au/sites/default/files/documents/policies/Application_for_credit.pdf. A guarantee and indemnity is also required given when making the credit application.

Users who do not have an approved credit account with the Corporation will be treated as cash only customers. Approval is in the sole discretion of the Corporation and may be revoked at any No Exclusive Use

3.7 No Exclusive Use

The User is not granted any exclusive use of the Facility, and the Corporation may allow access to the Facility at all times by any other person for any purpose, including without limitation, access by employees, officers, agents or contractors of the Corporation. The Corporation will require such persons to operate in accordance with any relevant work health and safety standards applicable to the Facility.

3.8 Berthing Priority

- (a) Subject to paragraph (b) below, berthing of Vessels at the Facility will generally be determined by the order of arrival of Vessels at the Port of Darwin pilot station.
- (b) The Corporation may change the priority of the users berthing at the Facility for any reasonable purpose at its absolute discretion, including without limitation, due to the nature of the cargo held by any relevant Vessel, the estimated time that any Vessel may be at the Facility, the nature of any Vessel at any surrounding berths, or the weather conditions from time to time.

4. Use of Facility at Risk of User

4.1 Release of Corporation

- (a) Subject to paragraph (b) below, the User will use the Facility at its own risk. The Corporation will not be liable to the User, and the User releases the Corporation in relation to any Claim or Loss that may be made against or incurred by the User at any time arising out of or in connection with, directly or indirectly, the use of the Facility by the User, or otherwise arising out of these Terms and Conditions, including without limitation:
 - (i) any Loss to any vessel, plant, equipment or other property;
 - (ii) any Loss arising from injury or damage done or suffered to any person, including death; or
 - (iii) any Loss arising from environmental damage, pollution or contamination.
- (b) Paragraph (a) above does not apply to the extent any Loss is directly caused by the negligence or wilful default of the Corporation.

4.2 Indemnity by User

- (a) Subject to paragraph (c) below, the User indemnifies and will keep indemnified the Corporation from and against all Claims and Loss that may be brought by any person against, or incurred by the Corporation, directly or indirectly, in relation to or arising from the use by the User of the Facility, or under or in connection with these Terms and Conditions, including without limitation:-
 - (i) any Loss to any property, or in respect of any injury or death to any person; or
 - (ii) any Loss arising from environmental damage, pollution or contamination.
- (b) The User acknowledges the existence at the Facility of equipment not owned by the Corporation (including ship loaders and associated gantry equipment, shore cranes and associated equipment and cargo – **the Equipment**). Without limiting paragraph (a) above, the User indemnifies and will keep indemnified the Corporation from and all Claims and Loss that may be brought by any person against, or incurred by the Corporation, directly or indirectly in relation to or arising from the use of the Equipment by or on behalf of the User, or resulting from any damage to or destruction of the Equipment or any part of the Equipment caused directly or indirectly by the acts or omissions of the User or its agents, employees, licensees or invitees.
- (c) The indemnities in paragraphs (a) and (b) above will not apply to the extent the relevant Claim or Loss is caused or contributed to by the negligence or wilful default of the Corporation.

4.3 Environmental Management and Security at Facility

- (a) The User must comply with
 - (i) all Laws concerning the Environment and Security, including without limitation, the Darwin Corporation Act, Regulations and By-Laws, the Marine Act (NT) and regulations, the Marine Pollution Act (NT) the Maritime Transport and Offshore Facilities Security Act (Cth);
 - (ii) The DPC Environmental Management Plans, Policies and Procedures;
 - (iii) all security arrangements, ancillary procedures and directions given by a representative of the Corporation given pursuant to any Law or as developed by DPC for the Facility from time to time; and
 - (iv) the Darwin Port Induction System (DPIS) and conditions of entry to a Facility under any Law or policy of the Corporation.;
- (b) Copies of any relevant security arrangements or ancillary procedures for the Facility

are available at the Website.

4.4 Safety at Facility

- (a) The User must ensure that it and its employees, contractors, agents and invitees maintain a safe environment at the Facility at all times.
- (b) The User must at all times ensure that it complies with the Work Health and Safety (National Uniform Legislation) Act and any and all other relevant Laws relating to occupational health and safety.
- (c) The User must report incidents in and about the Facility as soon as reasonably practicable via written notification:
 - (i) of a notifiable nature - to the Corporation and any other relevant Government Authority and
 - (ii) all other incidents - to the Corporation.
- (d) The User must ensure that its worksite at the Facility is fit for its intended purpose prior to undertaking any activities at the Facility. Without limiting the generality of the foregoing, the User must undertake an appropriate and fulsome risk assessment and prepare appropriate safety plans having regard to the intended use of the Facility and foreseeable risks (the **Safety Plan**).
- (e) The Safety Plan must include a consideration of, and risk mitigation strategies in respect of:
 - (i) mooring and letting go of vessels;
 - (ii) stevedoring operations;
 - (iii) receiving and delivery of cargo;
 - (iv) appropriate numbers of suitably qualified and competent personnel to perform the activities intended to be carried out at the Facility;
 - (v) site access and management of that access (including for contractors, invitees and agents);
 - (vi) stores to vessels; and
 - (vii) evacuation plans.
- (f) The User must, on request, provide a copy of its Safety Plan to the Corporation.

5. Insurance

5.1 Public Liability Insurance

Prior to use of the Facility, the User must obtain and maintain comprehensive public liability insurance for an amount of at least \$20 million. The insurance must be for any single event and cover all operations by the User on or about the Facility. The insurance policy must be with a reputable insurance Corporation and a copy of the policy and any other relevant documentation must be provided to the Corporation upon request, prior to use of the Facility by the User.

5.2 Other Insurance

The User warrants that any stevedore or other contractor which it engages or uses in relation to the Facility has appropriate insurance with a reputable insurance Corporation in relation to the following:

- (a) Workers compensation or similar employee insurance as required by any Laws.
- (b) Damage caused by the contractor at the Facility, including damage arising from the use of vehicles, cranes or any other machinery.

5.3 Effect on Corporation's Insurance

The User will not do or allow anything which might:

- (a) increase the rate of any insurance in relation to the Facility or the Port of Darwin effected by or on behalf of the Corporation (the **Corporation's Insurance**);
- (b) render void or voidable the Corporation's Insurance; or
- (c) conflict with any requirements relating to the Corporation's Insurance.

6. Damage to Facility and Surrounds

6.1 General Obligations of User

The User will ensure it uses the Facility in a manner which prevents damage (including any environmental damage, contamination or pollution) to the Facility or the Port of Darwin.

6.2 Repair and Remediation

Any damage to the Facility or its surrounds resulting from use of the Facility by the User may be repaired or remediated by the Corporation at the expense of the User. The User must pay to the Corporation any costs incurred by the Corporation in that regard (as a liquidated debt), within 7 days of receipt of an invoice from the Corporation for those costs. Without limitation, this clause will apply to any damage to the environment in or around the Facility or the Port of Darwin resulting from or relating to damage, contamination or pollution caused by the Vessel or by any materials or liquids from the Vessel.

6.3 Condition of Facility

The User must leave the Facility clean of all rubbish and in the same condition as it was in prior to use by the User.

6.4 No improvements

- (a) No improvements can be constructed on or made to the Facility by the User without the prior written consent of the Corporation. If any improvements are made to the Facility by the User, it must remove those improvements upon request by the

Corporation and make good all damage arising from the improvements or the removal of the improvements.

- (b) If the User does not remove improvements or make good any damage as referred to in paragraph (a) above, the Corporation may remove those improvements or repair that damage and the User will pay to the Corporation any costs incurred by the Corporation in that regard (as a liquidated debt) within 7 days of receipt of an invoice from the Corporation for those costs.

6.5 User's Equipment

- (a) The User must not operate or leave equipment at the Facility without obtaining a written permit to occupy from the Corporation.
- (b) If the User leaves equipment at the Facility the equipment shall be entirely at the User's risk and the User hereby releases the Corporation from any claim in relation to loss or damage to the equipment.

7. Compliance with Laws and Port Requirements

7.1 General

The User must comply with all Laws and Port Requirements relating to the use of the Facility or the Port of Darwin and obtain any relevant approvals required under any Laws or Port Requirements.

8. Details of Facility

The Corporation makes no representation as to the following matters, and the User will make its own enquiries in that regard:

- (a) the Utility Services that may be available at the Facility;
- (b) the access to, or the physical or other specifications of the Facility; or
- (c) the stevedoring or other services that may be available at the Facility.

9. Use of Stevedores and other Contractors

- (a) The User must use best endeavours to ensure that all stevedores and other contractors which it engages or uses at the Facility are reputable and have sufficiently experienced personnel to properly undertake their duties at the Facility.
- (b) The User must use best endeavours to ensure that all stevedores and other contractors which it engages or uses at the Facility operate under any Conditions of a Development Permit and any management plans relevant to the operations.

10. Directions of Corporation

The User must promptly comply with all reasonable directions from the Corporation and its agents, employees, contractors and agents from time to time in relation to use of the Facility.

11. Impact on other Persons

The User must:

- (a) not create any unnecessary interference, or any obstruction or danger to any other user of the Facility;
- (b) not interfere in any way with users of any area, wharf or other facilities within the Port of Darwin;
- (c) prevent nuisance and unreasonable noise and disturbance in using the Facility; and
- (d) ensure that it co-ordinates its activities and consults with other users of the Facility and the Port of Darwin.

12. Change of Facility

12.1 Change of Facility

Subject to clause 13.2 below, the Corporation may at any time change the Facility to be used by the User by giving reasonable notice to the User.

12.2 Alternative to be Comparable

The Corporation may only change the Facility if the alternative facility has substantially the same features (relevant to the User's proposed use) as the Facility originally proposed for use by the User.

13. Information from User

The User will promptly provide the Corporation with all information reasonably desirable or necessary to enable the efficient use of the Facility and co-ordination with other users, including without limitation, any changes to the Time of Arrival or Time of Departure in the Particulars, and full details of any item or substance on the Vessel or which will be handled at the Facility of a hazardous, toxic or dangerous nature.

14. Termination

14.1 Breach by User

The Corporation may terminate the use by the User of the Facility at any time by written notice given to the User if the User is in material breach of these Terms and Conditions.

14.2 Force Majeure

The Corporation may terminate the use by the User of the Facility at any time if it considers that an Event of Force Majeure is such that it will prevent the Corporation from providing the Facility for use by the User within the time period originally contemplated by the parties.

14.3 Unreasonable Delay in Time of Arrival

The Corporation may terminate the use by the User of the Facility at any time by written notice given to the User if the User has not arrived within a reasonable time after the Time of Arrival.

14.4 Corporation not Liable

The User will have no Claim against the Corporation including without limitation, for any Loss which may be suffered by the User, as a result of a termination by the Corporation under this clause.

15. Force Majeure

15.1 Force Majeure

If the Corporation is prevented or delayed in providing use of the Facility by an Event of Force Majeure then for so long as that situation continues, the Corporation is excused from providing use of the Facility to the extent that it is so prevented or delayed.

15.2 Corporation Not Liable

The User will have no Claim against the Corporation including without limitation, for any Loss which may be suffered by the User, as a result of any delay as referred to in this clause.

16. GST

16.1 Definitions

- (a) In this clause:
 - (i) **GST** means the goods and services tax imposed by the GST Law together with any related interest, penalties, fines or other charge.
 - (ii) **GST Amount** means in relation to a Taxable Supply the amount of GST payable in respect of that Taxable Supply.
 - (iii) GST Law has the meaning given by the A New Tax System (Goods and Services Tax) Act 1999.
- (b) Words defined in this clause which are not otherwise defined in these Terms and Conditions will have the meaning given in the GST Law.

16.2 GST to be Added to Amounts Payable

Unless otherwise expressly referred to in these Terms and Conditions, if GST is payable by a party on a Taxable Supply made under, by reference to or in connection with these Terms and Conditions, then the party paying the Consideration must also pay the GST Amount as additional Consideration.

16.3 Timing of Payment of GST Amount

The GST Amount is payable on the earlier of:

- (a) the first date on which all or any part of the Consideration for the Taxable Supply is provided; and
- (b) the date 5 Business Days after the date on which an Invoice is issued in relation to the Taxable Supply.

17. Assignment and Subcontracting

17.1 Corporation May Assign

The Corporation may assign or novate all or part of its rights or obligations under these Terms and Conditions to any person in its discretion.

17.2 Subcontracting by Corporation

The Corporation may subcontract any of its obligations under these Terms and Conditions.

17.3 No Assignment by User

The User must not assign or novate any of its rights or obligations under these Terms and Conditions without the prior written consent of the Corporation which may be arbitrarily withheld.

18. Notices to Corporation

All notices and other communications to the Corporation in relation to these Terms and Conditions must be in writing and sent by mail with postage prepaid, by personal delivery or by facsimile transmission as follows:

Name:	Darwin Port Corporation
Address:	Port Administration Building, Darwin Business Park, Berrimah N.T. 0828.
Postal Address:	P.O. Box 390, Darwin N.T. 0801
Facsimile:	(08) 89220666

or to such other address or person as the Corporation may specify by notice in writing to the User from time to time.

19. General

19.1 Warranty of Authority

For the avoidance of doubt, if a person signs these Terms and Conditions as agent, attorney or representative for the User (the **Agent**) they are not themselves the User, and they are not liable to carry out the obligations of the User under these Terms and Conditions. An Agent

does however warrant to the Corporation that as at the date of signing that person had full authority to execute the Terms and Conditions and bind the User to these Terms and Conditions.

19.2 Entire Agreement

These Terms and Conditions constitute the entire agreement between the parties relating in any way to the subject matter of these Terms and Conditions.

19.3 Proper law and Jurisdiction

These Terms and Conditions are governed by and will be construed in accordance with the Laws of the Northern Territory. They are deemed to have been entered into in Darwin, Northern Territory. Any action relating to these Terms and Conditions may be instituted and heard in a court of competent jurisdiction in Darwin, and each party irrevocably submits to the non-exclusive jurisdiction of such court for the purpose of any such action and irrevocably waives any objection to having such action brought in such court, or to claim that the action has been brought in an inconvenient forum.

19.4 Variations and Waivers to be in Writing

A variation or waiver of any provision of these Terms and Conditions will be of no effect unless it is by deed in writing signed by the parties or (in the case of a waiver) by the party giving it.

19.5 Execution by some parties only

Where the User may be constituted by more than one party, the failure by one or more of those parties to execute these Terms and Conditions does not relieve any of the other parties who constitute the User of any of their obligations, and those other parties will be bound by these Terms and Conditions.

19.6 Severance

Any provision of these Terms and Conditions which is void, illegal or otherwise unenforceable, will be severed to the extent permitted by law without affecting any other provision and, if reasonably practicable, will be replaced by another provision of economic equivalence which is not so void, illegal or unenforceable.
